Unity Maintain and Unity Permit

Trimble Unity™

Access Online Help

Trimble Unity provides many resources that allow users to utilize the software to its greatest potential. From online help guides, quick start guides, release notes, and more, you can find help for whatever questions you might have.

Within Your Site

You can open the online help from directly within your site.

1. Log in to your site.
2. Click **Help** from the main toolbar of any of the plugins you have access to.

A new browser tab opens and displays the latest online help guide for the plugin.

Online Help Site

You can access the online help from the Trimble Unity Documentation help site.

1. Open a browser tab.
2. Enter **help.unity.trimble.com**.
3. Select the various links on the page to access related release notes, online help guides, quick start guides, and more.

4. You can navigate back to the home page by clicking **Back** on each page.
